

# Year 6 Class Newsletter

Pearl Class Teacher: Miss Major  
Pearl Class TA: Mr Graham  
Ruby Class Teacher: Miss Bedwin  
Ruby Class TA: Mrs Birchmore

## Welcome to Year 6 Term 6

This is an overview of what your child will be learning this term.

Year 6 have worked incredibly hard this year and we feel extremely proud of their efforts. In term 6, we will be continuing to build on this, in order to ensure that every child leaves South Avenue having achieved their very best.

With this in mind, the children will have Maths and English together with cross-curricular activities relating to our topic;

'Inspire Me'. We will also be practising our production on Peter Pan which will be available for parents to buy on DVD. Due to continued COVID restrictions, we will not be able to invite parents to our Sports Day event or end of year production. Photos of both events will be taken and shared at the end of the academic year.

## P.E. - Friday

We will continue to come to school in our own PE kit this term however, over the next few weeks the children will be required to wear their house colours for Y6 sports day events— **18th, 25th June and 2nd July**. We appreciate your continued support in ensuring that the children **always** wear the appropriate kit in school to enable full participation. No jewellery to be worn in P.E. please.

## Things to come!!

Bewl Water trip  
End of year party  
Transition days  
Year 6 Sports Day  
Peter Pan production

## Water bottles

Please could you ensure that your child brings a named drink bottle to school each day, to have in the classroom. **This should contain water only, no juice or squash please.**

Don't forget to send your child in with a water bottle and sun hat on warm days—and apply sun cream before school if required.

**English:** The children will be focusing on script writing, this term; as well as developing their own brochure for Bewl Water and a variety biography. They will also continue working towards their AR reading target!

**Maths:** We will be completing many lessons that children missed during the national lockdown (shape and statistics) and continuing the term with some maths puzzles requiring children to think about the variety of ways they can tackle the problem.

**Wider Curriculum:** So far this term, we have studied graffiti and explored whether it is art or crime. Many of the children have produced their own piece of art in the style of Banksy and have enjoyed identifying the meaning behind abstract art. As part of our topic, the children will also explore potential careers for the future. Finally, the children will have SRE lessons this term, where they will discuss puberty, reproduction and relationships.

## Goodbye and Thank you!

We would like to say a big thank you for being such supportive parents and we fully appreciated the hard work that you put in during the home learning period.
