## Welcome to Year 6 Term 5

This is an overview of what your child will be learning this term.

As I'm sure you are all aware, Year 6 are approaching the end of their primary school SATs and, with little time to go, they are working harder than ever.

The Year 6 teaching team appreciate the enormous amount of effort all your children have been putting in to achieving the best possible outcomes and all that is needed now is a final push!

With this in mind the main focus of our learning for the beginning of Term 5 will be on Maths, Reading, Writing and SPaG, although children will continue to have small group interventions to plug any gaps, regular P.E. lessons and topic related activities in the afternoons.

## P.E: Fridays

P.E. will include an outdoor games session—Outside Adventure Activities and Cricket. We appreciate your continued support in ensuring that the children always have their kit in school to enable full participation.

## What you can do at home to support your child.

- ◆ Reading at least 3 times a week from AR books.
- ◆ Complete revision tasks and any set homework.
- ◆ Refresh times tables.
- ◆ Have a good night's sleep.
- ◆ Eat well.

## Water bottles

Please could you ensure that your child brings a named drinks bottle to school each day, to have in the classroom. **This should contain water only, no juice or squash please.**
