How can you help at home?

Times Table and Division Facts

Your child needs to be practising their times tables and division facts.

We will be focusing on the x3, x4 and x8.

Water bottles

Please could you ensure that your child brings a named drink bottle to school each day, to have in the classroom. **This should contain water only, no juice or squash please.**

Clothing

Please make sure all items of your child's clothing has their name on it. It makes it much easier to reunite children with lost clothes and saves you the stress! Please use a permanent laundry marker or sewn in name labels as biro washes out easily. This includes their PE kit, coats etc.

Reading books

Each week your child is listened to reading their reading books as well as reading in different situations. Reading is a tricky skill to master and **your child will benefit from reading with you at home as much as possible to build confidence and fluency.**
