

Look at the activities below. Choose at least 2 that you would like to support your child with. Once completed, bring them to school on the dates given. You must include at least 2 pieces from the red boxes, plus complete the two yellow boxes. Hand in dates are 9.11.18, 23.11.18 and 7.12.18

Our topic this term is The Romans.	Investigate and make a Roman villa using whatever materials you choose.	Design and draw or design and build a Roman town.	Investigate a town/place in the United Kingdom where Roman coins or artefacts have been discovered.
Design a piece of Roman jewellery and make it.	Investigate to see if there are any Roman roads built near us.	Create a menu for a Roman banquet. Present it in a way the Romans would have seen it.	Create a fact file on a famous Roman Emperor.
Where can Roman baths be found in England. Write about the 4 main features.	Create a poster showing the clothing worn by a Roman person.	Work on all your times tables, especially the 6 and 9 times tables and the relationship between them. Look at the division facts for them. By the end of year 4 you are expected to know ALL your times tables from 1x1 to 12x12, so you need to practise!	We expect children to continue to achieve excellent improvements in their AR scores. Continue to read nightly for 20 minutes - remember, as a year group we would like to read over 10 million words this year.
