

## The City of London!

Dear Year 5,

This term, we would like you to focus on one of these tasks rather than the usual three. We will then present our homework projects on Thursday 23<sup>rd</sup> May (although you may bring them in before this) and invite parents to come and view these at 3.00pm. This is your chance to spend more time focusing on just one project and making it extra special!

Research the different activities and attractions in London. Create your own 'Ultimate Guide to London'.

Make a model of one of London's famous landmarks.

Write a poem about how London has changed over the centuries.

Create your own Royal manifesto. If you were the King or Queen, what rules would you have?

Research The Crown Jewels and design and make a crown fit for the Queen. What precious jewels will you include?

Research cockney rhyming slang and create your own dictionary!

Homework completion date 23<sup>rd</sup> May 2019 for presentation at 3.00pm

Remember you will be displaying and presenting your homework project in class so think carefully about how you want it to look. You do not need to present it in your homework book; be as creative as you can!
