

THE ROMANS

This term we will be learning all about The Romans. Our homework project will therefore be linked to this topic. I have spoken to the children in class about this and they are very excited!

Please choose one project idea for the term. I have provided the children with some ideas such as:

- **investigate and make a Roman villa using whatever materials you choose**
- **design, draw or build a Roman town**
- **investigate a town/place in the United Kingdom where Roman coins or artefacts have been discovered**
- **design a piece of Roman jewellery and make it**
- **investigate to see if there are any Roman roads built near us**
- **create a menu for a Roman banquet**
- **create a fact file on a famous Roman Emperor**
- **write about the 4 main features of Roman baths. Where can they be found in England?**
- **create a poster showing the clothing worn by a Roman person**

The projects will be due in on **Monday 14th October 2019**.

We are continually assessing the children's progress and those making the most progress are supported at home by:

- Reading at home every evening
- Being read to regularly using books with rich descriptive vocabulary and from a variety of genres. [Stories, poems, information books, longer stories with chapters.]
- Answering comprehension questions.
- Working on all of your times tables, especially the 6 and 9 times tables and the relationship between them.
- Telling the time and using money in real life situations.
- Practising the year 3 and 4 spellings.

Thank you for your continuous support. Miss Smith and Miss Johnson ☺
