Choose a task from this list for each of the homework dates.

- Compare the Thames to your nearest river (the Medway or the Stour); research your river's history and uses.
- Draw a map of the River Thames and plot locations of the bridges.
- Imagine you are an entrepreneur. What business would you start using the River Medway? Leisure? Environmental? Sales? Entertainment? Create advertising for your business.
- Write an acrostic poem using the starting letters of RIVER.
- Print out a map of the UK and label the location of the major rivers
- What could you find in a rock pool? Draw and label the creatures you might find.
- Choose a room in your house. List all the different sources of light you can find. Put them in order from darkest to lightest.
- Draw a picture of the beach. Label physical and human features of the landscape.
