

right time in the right place!" I explained.
"well the Sabar tooth tigers were as big
as a door!" Ruby exclaimed.

After we delivered the food, water and
firewood at everyone's houses me and
Ruby decided to have a feast!

"To Katie and Ruby for not letting us
starve and die and be cold!" the villagers
cheered.

The night went on with the feast and
after we danced under to the bright full
moon.
