

Judaism

What I should already know:

- Children have learnt about the beliefs of Christians and understand the concept of God.
- Children have an awareness that different people have different beliefs and may or may not follow a religion.
- Children have started to consider and discuss their own beliefs and those of their families.

What I will learn:

- How the Mezuzah in the home reminds Jewish people about God.
- Links between some Jewish teaching and how Jewish people live.
- How Shabbat is a special day of the week for Jewish people and how it is marked by Jewish people.
- To consider the value of times of reflection, thanksgiving, praise and remembrance, and how these are important in Judaism.
