Dear Parent/Guardian

As you will observe in this year's LEA Admissions Guide we are planning to hold two Open Days this year, on Wednesday 10th October and Thursday 11th October. We will be running two sessions on each day, from 10.00 a.m. to 12 noon and from 1.00 p.m. to 3.00 p.m. With increasing numbers of parents attending each year this does seem to be the best way of easing congestion and of allowing longer for individual discussions.

In order to spread the numbers reasonably equally whilst at the same time diminishing any possible disruption for your child's school - although we do not invite children specifically, large numbers do attend - below is a proposal as to which session you may choose to visit. Whilst you are clearly welcome to attend any session, it will clearly be of benefit to all for as many as possible to attend at the recommended time. I should perhaps emphasise that there is no significance behind which schools are on which days; we have simply attempted to balance numbers.

Now that equal preference has been established within the area it is to be hoped that the transfer process should run reasonably smoothly again this year. As you know you are free to list schools in your ideal preference order without running the risk of losing a school because it was not placed first on the CAF; no secondary school will have this information and offers will therefore not be affected by it. Although all secondary schools within the area are now academies, I can confirm that this will have no effect on the admission procedure.

Our admission criteria are identical to those used in previous years - 10% Sport and Performing Arts places, siblings of children currently in the school, children of staff who have been employed at the school for a minimum of 2 years, children attending primary schools which are part of the Fulston Manor Academies Trust, villages named on reverse of registration form and then nearness to school until we reach our Published Admissions Number which is 210. Should there be any questions at all concerning this year's admissions process please do not hesitate to contact me. Most of the key information is now on our website under the Information Tab. We would encourage you to visit these pages to find important details regarding the application process.

I look forward to meeting you in October.

Yours faithfully
