Dear Parents/Carers/Guardians,

Our topic in Term 2 will be a continuation of Space, as it is such a fascinating topic that the children are really enjoying. During Term 2, Year 5 will be taking part in a really fun and interactive Online Space Station workshop on Monday 18th November.

This engaging experience will include the children taking part in problem solving and being space engineers for the day! Throughout the day the children will be taking part in challenges set by the space commander!

Please start collecting empty toilet rolls and kitchen rolls in readiness for the day and send in via their classroom.

For this workshop, we will be asking for a contribution of £6 per child.

Please come to see us if you have any questions.

Many thanks,

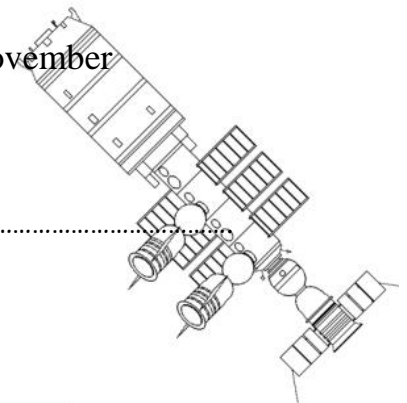

Miss Major and Mr Perry
Year 5 Class Teachers

I enclose £6.00 towards the Space Station workshop on Monday 18th November
