Please tick the box for the days you would like your child to receive a school packed lunch. We are only able to offer one option a day at present. If this changes you will be informed. Lunches will be supplied in a bag so that any rubbish can be thrown away at the end of lunch. You do not have to have the lunch every day, if there is something that you know your child will not eat, please supply a packed lunch for that day.

There will be no lunches provided for Year R and 1 Keyworker children on Fridays, please supply a packed lunch for your child on these days.
