Letters & Emails home

- ▶ Heroes—stamp design competition
- ▶ Y6 Bewl Water activity day

If you are not receiving our emails, please email the school office on office@southavenue.kent.sch.uk and we will update your email address from the information provided. Please include your child's name and class within the email.

History Detectives

A huge **WELL DONE** to those who entered our competition to identify the mystery historical item. It was in fact a VHS Tape Cassette and they were used to play films or television programmes in people's homes! They were developed in the 1970s and were still used until the early 2000s when DVD's replaced them!

Well done to Philip in Pearl Class for your correct entry and also to Charlotte in Garnet class for an excellent guess with great suggestions. You will be presented with your prizes in our next assembly.

Our next items are these:

Again, what do you think they are? What were they used for and who would have used them?

Can you guess a time frame when they were used?

Entries can be given to your teacher or put straight into the History Detectives box in the Infant hall. Good Luck!

Life with Luna-Belle

Luna has settled into school life really well and is now in school full time. This term, both the adults and children have been learning how to behave around our school dog so that she feels calm and safe.

Thank you to everyone for keeping your distance and not trying to stroke Luna-Belle when she has been on the gates in the morning and afternoon. We will keep you updated with Luna's activities as she continues to develop her role at South Avenue Primary School.

Dress for Digits—NSPCC Number Day at South Avenue

'On Friday 7th May, we celebrated Number Day at South Avenue Primary School and raised an amazing £293 for the NSPCC. We had lots of fun taking part in different maths activities throughout the day and many of the children and staff dressed up for digits!'

We discover, we learn, we grow.
