Children will need to come in on Sports Day wearing their 'House Colour'. Class teachers will be able to advise you of your child's house colour if you are unsure. We will be holding a raffle for a £1 donation. Class teachers will advise which day your child's Year Sports Day will be held.

History Detectives

A **HUGE** well done to everyone who entered the **History Detectives** Competitions for Term 5. Mrs Dengate and Miss Johnson have really enjoyed reading all of your fantastic responses. Here is our **first** mystery item for Term 6:

What do you think it is? What was it used for and who would have used it?

Can you guess a time frame they were used?

Entries can be given to your teacher or put straight into the History Detectives box in either the Infant hall or the Junior hall. Good Luck!

Winners will be announced in the next WhatsApp and prizes will be given in next week's assembly.

Year 3 have been learning how to use oil pastels and charcoal to create African Sunsets. The children have had lots of fun learning how to blend colours correctly.

We discover, we learn, we grow.

Sleep problems can be a persistent and severe problem for children and young people with learning disabilities. Improved sleep can lead to reduced stress within the family and improved educational outcomes for the young person.

In this workshop we will:

- Introduce participants to a range of sleep problems in children and young people with additional support needs
- Identify possible causes of sleep difficulties
- Consider behavioural interventions to improve them
- Provide an opportunity to share ideas with parents and carers facing similar challenges

This workshop is suitable for parents, carers and families of Early Years & primary age children.

This workshop is free to attend. Refreshments will be provided.

For bookings please contact: midas@meadowfield.kent.sch.uk or telephone MIDAS Centre on 01795 477788, option 6.
