Year 6 End of Year Performance

Dear Parents/Carers/Guardians,

We are all absolutely thrilled to be writing to let you know that we will be putting on our end of year 6 performance this year. We're sure that you've already guessed that it will look a little different this year; however, we are determined that it will be as magical as possible.

Sadly, we won't be able to perform to parents and family members as we are unable to gather together, so we will be filming the scenes from the play on **Thursday 8th July**. The performance will then be available to view on a DVD of the full play, which you will be given the opportunity to purchase for a small fee. We will update you with the price of the DVD as soon as we have more information, our aim is to provide you with a wonderful keepsake and in turn help our lovely school to raise valuable and much needed funds.

We would ask that the recording is **not** shared on any social media sites, to respect the rights and privacy of all those who appear in it. We are aware that even though we ask that sharing of the recording does not take place, we cannot guarantee that this will not happen once this is with families and therefore please do not allow your child to be part of the performance if this is a concern to you.

We will be asking parents to provide costumes for the performance, which we have tried to make simple and fuss free. Details of each character's costume are attached to this letter and your child has been informed of their role. We ask that these are brought into school by **Friday 2nd July** in a clearly named plastic bag, which will help us to avoid any cross contamination of clothing or props.

We're all very excited, we can't wait to get started and have high hopes that our performance will be a memorable way for Year 6 to end their time at South Avenue.

Collaboration, Challenge, Community, Courage, Commitment, Creativity

Please complete and return the attached slip to the school by **Friday 18th June** if you **do not** want your child being filmed. We must have this in writing as we require your signature. You may email a photograph of your signed response or hand your response to the school. **If we do not hear back from you, we will take this as you giving consent for your child to be filmed.**

Yours sincerely,

Year 6 Team
