Head of School: Miss Tracy Cadwallader

23rd June 2021

Dear Parents, Carers & Guardians of children in Year 6,

As part of our Science and Relationships and Sex Education curriculum (RSE) Year 6 pupils will be studying human reproduction in a sensitive and simply presented format. The children will then view the material week commencing Monday, 28th June, with their class teachers.

Only complete the attached link <https://forms.office.com/r/VaK9B9LPhk> if you **DO NOT** wish your child to participate in the **conception section** of this unit of work by **Friday 25th June**. If you are happy with your child participating in this unit of work you do not have to respond.

Please note, the conception section of RSE is the only section which parents have the choice to opt their child out of. Please refer to our RSE Policy on the school's website.

Yours sincerely

Miss T Cadwallader
Head of School
