

South Avenue Primary School

Celebrates Queen Elizabeth II's

Platinum Jubilee

Friday 27th May 2022

In recognition of the Queen's 70 years on the throne, the children will be spending the last days of term 5 finding out more about the 7 decades of her reign.

Each year group will be allocated a decade, and the children will carry out their own research into what it was like to live in that era: the fashion of the time, music, major historical events and learn a dance and song to perform to the rest of the school on Friday afternoon.

We hope that the children will have a memorable experience and enjoy sharing their learning. It would also be great fun if your children came to school on Friday 27th dressed in the fashion of their decade or, in red, white and blue so, do encourage them to get involved and start their own research into what they could wear – we will take lots of photos for the end of year newsletter!
