12th May 2022

Dear Parents, Careers and Guardians,

South Avenue Primary School Sports Day is on Thursday 26th May 2022.

After 3 years, we are finally able to invite you back for one of the most exciting events in the Summer term, School Sports Day. The children have been preparing during their outdoor games lessons and we would like to invite you to come along and support them with lots of enthusiasm and your loudest cheers!

This year's School Sports Day will be held over the full day with KS1 in the morning and KS2 in the afternoon. The children are encouraged to come to school dressed in their house colours.

Leeds = Green

Walmer = Yellow

Dover = Red

Rochester = Blue

KS1 Parents are invited to remain at school after dropping off with Sports Day starting at 9.15am and finishing at approx. 11.15am. Please could you ensure that you make your way to the field so we can organise the children ready for a prompt start.

KS2 Parents are invited to attend from 1pm and should collect their children at the normal time of 3:15pm - outside their classroom.

The afternoon will contain a mix of competitive races and fun Olympic events. All children will take part and you are invited to attend, support them and join in the fun!

The children will enter and leave the playing field with their class/house team and will stay with them as they move around to the different events. There will be a designated area for parents to stand and we politely ask that you remain here throughout the events. As there will be a large number of people on site, we need to ensure the children's safety, therefore, it is imperative to remember that under no circumstances can they leave the playing field or site without the knowledge of their teacher. You will be able to collect your child at the end of the day as normal.

We are happy for parents and carers to take photos and videos of their child for personal use but we request that these images are not distributed or shared on-line if they contain images of other children, adults or staff without consent. Sharing images of others on-line may put our community at risk.

In the event of poor weather and cancellation you will be notified by text message at the earliest opportunity. We look forward to seeing you at our School Sports Day to support the children as they participate in this fun and enjoyable event.

Kind regards

Miss Cadwallader
