Head of School: Miss Tracy Cadwallader

We're using Atom Learning!

Dear Parent / Guardian,

I wanted to get in touch to share some exciting news. In the upcoming term, South Avenue Primary School will be using the online learning platform, Atom Prime.

If you aren't familiar with it, Atom Prime is a free platform that helps students succeed in English, maths and science, as well as verbal and non-verbal reasoning.

After lengthy consideration, we feel confident that Atom Prime will support our teachers to deliver a more personalised approach to learning for students.

Supporting your child with Atom Prime

In the coming weeks, you will receive an email with a secure link to create your Atom Prime Parent/Guardian Portal.

This is a key part of our safeguarding provision that enables your child to use Atom Prime outside school, for example, to complete a homework assignment. This portal will also allow you to track your child's progress throughout the year.

If, for any reason, you would like to opt-out, please do let me know directly.

We will share more information about Atom Prime in due course but if you have any questions in the meantime please reach out to me directly.

Best wishes,

E. Smith

Miss Smith

Vice Head of School

We Discover, We Learn, We Grow
