---

We recognise that positive behaviour and good attendance are essential in order to raise standards of pupil attainment and to give every child/young person the best educational experience possible.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school. We expect every child to achieve 100% attendance.

The DfE has produced guidance for maintained schools, academies, independent schools, and local authorities: *Working together to improve school attendance*. Our Attendance Policy reflects the key principles of that guidance. <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

## 1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

## 2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)

- › Part 7 of [The Education and Inspections Act 2006](#)
- › [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- › [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

- › Benchmarking attendance data to identify areas of focus for improvement

- › Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance and the head of school

- › Advising the senior leader – primary phase (authorised by the head of school) when to issue fixed-penalty notices

The attendance officer is Emma Greetham and can be contacted via the main school phone number 01795 477750.

### 3.5 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office. This needs to be completed by 8.55am each morning and by 1.05pm each afternoon.

### 3.6 School office staff

School office staff will:

- › Take calls from parents about absence on a day-to-day basis and record it on the school system

### 3.7 Parents/carers

Parents/carers are expected to:

- › Make sure their child attends every day and on time
- › Call the school to report their child's absence before 9am on the first day of the absence and each subsequent day of absence and advise when they are expected to return
- › Provide the school with more than 1 emergency contact number for their child
- › Ensure that, where possible, appointments for their child are made outside of the school day

### 3.8 Pupils

Pupils are expected to:

- › Attend school every day on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made

- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.45am on each school day.

The register for the first session will be taken at 8.55am and will be kept open until 9.00am. the register for the second session will be taken at 1.05pm.

## 4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office staff (see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

## 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. This can be face to face at the school office or by telephone to the school office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## 4.4 Lateness and punctuality

A pupil who arrives late:

- › Before the register has closed will be marked as late, using the appropriate code
- › After the register has closed will be marked as absent, using the appropriate code

If a child is late before the register is closed on 5 or more occasions in a term a letter will be sent to the parents/carers.

If a child is late after the register has closed on 3 or more occasions in a term a letter will be sent to the parents/carers.

## 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- › Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the school of any known siblings, complete a home visit and/or request a welfare call by the police.
- › Identify whether the absence is approved or not
- › Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- › Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving a local authority school liaison officer

## 4.6 Reporting to parents/carers

Parents are able to check their child's attendance at any time via the Arbor App

The school will regularly inform parents about their child's attendance and absence levels at parents consultations and via the end of year report

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The head of school will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the head of school's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as rare, significant, unavoidable and short. And by 'unavoidable' it implies that an event could not reasonably be scheduled at another time.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence. The Head of School may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- › Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- › Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- › Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

The head of school is not obliged to accept a parent's explanation and a letter, email or telephone message from a parent does not authorize an absence. If requests are made and absences are not authorized, parents will be notified. If no explanation is received, absences will not be authorized. The following reasons are examples of absence that will **not** be authorized:

- Persistent non-specific illness e.g. poorly/unwell
- Absence of siblings if one child is ill
- Oversleeping
- Inadequate clothing/uniform
- Confusion over school dates
- Medical/dental appointments of more than half a day without very good reasons

- Child's/family birthday
- Shopping trip
- Family holidays

## 5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a head of school, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- › The number of unauthorised absences occurring within a rolling academic year
- › One-off instances of irregular attendance, such as holidays taken in term time without permission
- › Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## 6. Strategies for promoting attendance

We will promote good attendance through our celebration assemblies and newsletters as well as on displays. Whole class attendance improvement will be rewarded termly.

## 7. Attendance monitoring

### 7.1 Monitoring attendance

The school will:

- › Monitor attendance and absence data at least half-termly, termly and yearly across the school and at an individual pupil level
- › Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

### 7.2 Analysing attendance

The school will:

- › Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- › Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### 7.3 Using data to improve attendance

The school will:

- › Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families

- › Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

## 7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- › Use attendance data to find patterns and trends of persistent and severe absence
- › Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- › Provide access to wider support services to remove the barriers to attendance

The school uses a tiered procedure for targeting absence below 95%. This includes letters, meetings, issuing of penalty notices and the involvement of the local authority school liaison officer.

## 8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every year by the attendance lead. At every review, the policy will be approved by the full governing board.

## 9. Links with other policies

This policy links to the following policies:

- › Child protection and safeguarding policy
- › Behaviour policy
