Dear Parents,

Salus have recently visited your child's school to discuss the exciting 'FRIENDS' Programme. I would like to take this opportunity to introduce myself. I have 7 years' experience of working in primary schools and am also a mother of three. I'm passionate about helping children achieve their best and have a high level of expectation and achievement in all roles I have held. I have included with this letter an outline of the skills and techniques we shall be covering in each session. There are also some tips for skills that could be practiced at home.

I shall be holding a FRIENDS Parent meeting on the 6th February 2018 at 15.15 in Opal class. If you have any queries or would like to discuss this further, please do come along.

Yours sincerely,

Michelle Lynch
