

Animals including Humans

Year 2 Term 1

All things on earth are **living** or **non-living**.

Living things need:

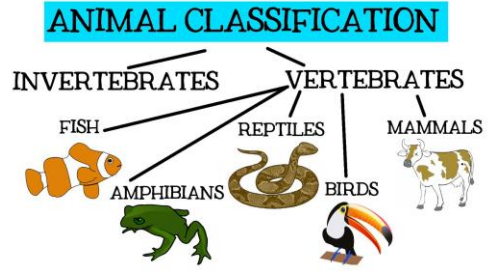

Living things die without **air**, **food** and **water**. Non-living things cannot die.

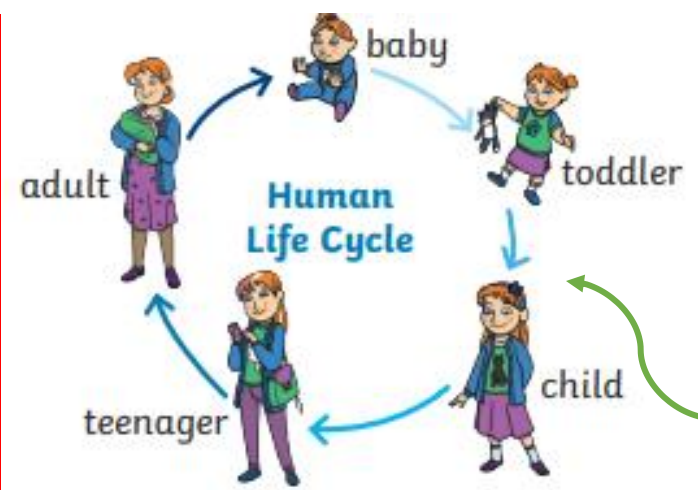

Vocabulary	
Adult	A fully grown animal or plant
Develop	To grow bigger and become stronger.
Life Cycle	The changes living things go through to become an adult.
Offspring	The child of an animal.
Young	Offspring that has not reached adulthood.
Live Young	Offspring that has not hatched from an egg.

Previous knowledge:

Plants and animals **grow**:

Scientists sort plants and animals into groups.

Humans and animals grow from a **baby** to **young** and then to **adults**.
