6th October 2017

Dear Parents, Carers and Guardians,

Swale Fusion Festival Friday 13th October 2017

You may be aware that recently, Year 4 classes took part in an artist led workshop to create working lanterns. This was part of an arts project, involving local schools and professional artists, to prepare lanterns ready for the launch of the Swale Fusion Festival. This festival runs over two days, beginning on the evening of Friday 13th and runs into Saturday, with events being hosted in Sittingbourne High Street between 10.30am and 2pm. Pupils have been given a flyer about the weekend events.

We would like to invite pupils to take part in the Fusion Light Parade on the Friday evening, culminating in a firework display at Albany Park. Children will need to be accompanied by parents/family members, but we will be meeting outside the rear door of Wilko at 5.45pm (facing the Forum car park) ready to join the main parade, which will leave from the front of Wilko at 6.30pm. The organisers have asked us to arrive at this time so that lanterns can be lit and parents/families will need to walk with their children in the parade, which will go through the High Street and end up at Albany Park ready for the firework display. The plan is to meet up and then walk round to the front of the shop to have lanterns lit and then join the parade.

Pupils will be bringing their lanterns home on the Friday after school and their lantern should be taken with them to the parade.

We hope that you will be able to join us and enjoy the fun.

Please complete the form below to let us know if you are planning to come along so we know to look out for you.

Yours sincerely,

Mrs S Drury
Operations and Community Lead
